PROFILE

Computer Science student with an interest in Software Engineering and AI/ML, skilled in SQL, Python basics, Power BI, and structured data handling. Experienced in technical troubleshooting, analytical problem-solving, and working with data-driven systems. Quick learner with strong communication skills and an interest in AI/LLM technologies and software development.

EDUCATION

Dronacharya College of Engineering, Gurugram, India

Bachelor of Engineering in Computer Science & Engineering (AI & ML Specialization)

2022 – 2026

• Relevant Coursework: Software Engineering, DBMS, Machine Learning, Computer Networks, Deep Learning

SKILLS

- Languages: Python, C, C++, JavaScript
- Web: HTML, CSS, API
- Databases: MySQL, MongoDB
- Data Analytics: Power BI, Data Analysis, Data Visualization
- AI/ML: ML Fundamentals, Deep Learning Concepts, Prompt Engineering, LLM Fundamentals
- Tools: Git, GitHub, VS Code
- Soft Skills: Problem Solving, Communication, Analytical Thinking

PROFESSIONAL EXPERIENCE

IT Support

Binary Semantics Pvt. Ltd., Gurugram

July 2025 – Present

- Provided technical support and troubleshooting for software and system-related issues through remote assistance.
- Handled issue tracking, documentation and data management with accuracy while coordinating with internal teams for timely resolution.
- Developed analytical problem solving, communication and structured debugging skills in a fast-paced support environment.

Machine Learning Intern

Indira Gandhi Delhi Technical University for Women (IGDTUW), New Delhi

June 2024 – August 2024

- Worked on basic data analysis and model understanding.
- Assisted in data preprocessing and handling datasets.
- Gained exposure to Python and machine learning concepts.
- Made projects using frontend and backend technologies including Machine Learning models.

CERTIFICATIONS

- Foundation Course on IR4.0 Technologies – Tech Saksham (Microsoft & SAP)
- Python for Data Science – IBM
- Python Training Certificate – IIT Bombay
- MongoDB Course Completion Certificate

ADDITIONAL INFORMATION

- Comfortable working in day shift and night shift working environment
- Quick learner with adaptability to new tools and processes
- Strong attention to detail and documentation accuracy
